

General Motor Approves De Beer 900+ by Valspar Automotive

General Motors, a global leader in vehicle manufacturing including well-known makes such as Buick, Cadillac, Chevrolet, GMC, Holden, Isuzu, Opel and Vauxhall, has given a global approval for the De Beer 900+ Series system by Valspar Automotive. This approval is based on the GM Specification GMW15406M. All countries where General Motors vehicles are manufactured, sold or repaired can now utilize the De Beer 900+ Series for General Motors warranty work.

"General Motors performed meticulous and thorough testing of the 900+ product for global use, and we are excited to report a successful approval. This approval shows Valspar Automotive's continued dedication to our customers and our products. Valspar's vision is to be the best coatings company in the world; this is another step in demonstrating our commitment to excellence in the coatings industry," said Carl Wierks, Global Vice President of Valspar Automotive.

Featured Product

Product: Valspar Refinish AD4200 Air Cure Clear

The Valspar Refinish AD4200 Air Cure Clear is an air dry clearcoat that dries rapidly without any baking required. It is an easy-to-spray, wet-on-wet application with superior flow and leveling.

Introducing De Beer Mysterious Colours

Valspar Automotive is excited to introduce our new De Beer Mysterious Colours product line, which includes Rainforest, Valley, Tundra, Reef and Canyon toners. Our new colour-shift pigments allow you to give the desired effect to some of the most difficult OEM colours. These toners are highly concentrated and can be used with both De Beer 900+ Series and the BeroBase 500 Series. These toners can be ordered in individual quantities.

For more information or to order, please contact your Valspar Automotive Sales Representative, or Valspar Automotive's Customer Service at 1-800-444-2399. You can access formulas that include these toners your current software.

Part Number	Description	Colour Effects	Size	Case Qty
5911.ML11	Mysterious Rainforest	Violet to Green	110 mL	1
5912.ML11	Mysterious Valley	Blue/Green to Pink	110 mL	1
5913.ML11	Mysterious Tundra	Warm Green to Warm Red	110 mL	1
5914.ML11	Mysterious Reef	Light Green to Bright Blue	110 mL	1
5915.ML11	Mysterious Canyon	Russet Red to Green/Yellow	110 mL	1

Introducing New Universal Intermix Toners for Valspar Refinish

Valspar Automotive is excited to expand the line of Valspar Refinish Universal Intermix Toners with two new toners, S42 Silver Dollar Metallic Bright II and S43 Silver Dollar Metallic Fine II. Our S42 Silver Dollar Metallic Bright II and S43 Silver Dollar Metallic Fine II both deliver improved coverage and elevate the overall Valspar Refinish color match capabilities. These toners are a result of our continued commitment to deliver our customers the best in Color Technology.

These toners are intended to replace S40 Silver Dollar Metallic Bright and S41 Silver Dollar Metallic Fine, though not as direct replacements. Substituting these toners in place of S40 and S41 in a formula is NOT recommended.

For more information or to order, please contact your Valspar Automotive Sales Representative, or Valspar Automotive's Customer Service at 1-800-444-2399.

Part Number	Description	Size	Case Qty
S42.Q01	Silver Dollar Metallic Bright II	Quart	2
S43.01	Silver Dollar Metallic Fine II	Quart	2
