

### Is your Valspar Automotive Color Box complete?

#### Get the most out of your Color Box

It is important to have the most up to date and thorough color tools available to keep your shop running efficiently. To that end, we have included simple instructions on how to check if your Valspar Automotive Global Color Box is complete.

For this simple check, select the fan books in the Volkswagen-Audi series from your Valspar Automotive Global Color Box. The list that you can find on [www.valsparauto.com](http://www.valsparauto.com) includes a chip from this series from every update.

*For example:*

Color update 1 is the VW chip with color code A5F and chip code 0701. If this chip is not in your Valspar Automotive Global Color Box, you've missed update 1. Update 1 can still be ordered under article number 61-851.

You can check how complete your Valspar Automotive Global Color Box is by reviewing the list. If you're missing particular chips in your Valspar Automotive Global Color Box, you can order the corresponding update using the article number given on the list.

If you'd like to order updates or if you have any other questions about the Valspar Color Box and/or the updates, please contact your local sales or customer service representative.
